

DOWNLOAD & INSTALL THE APP

Aisles Online is available for both iOS and Android devices. Download and install the Aisles Online app from your app store and install it on your smart phone.

CREATE AN ACCOUNT

- 1. Tap on the Hy-Vee Aisles Online icon to open the app.
- 2. On the first screen, tap **Create An Account**.
- 3. Tap on Create An Account again.

MY ACCOUNT

You can manage your account at any time.

- 1. Tap on the hamburger, or menu, icon in the upper left-corner of the screen. The Aisles Online menu will appear.
- 2. Tap on My Account.

Hamburger Icon

Each of the menu options under My Account let you manage or view a part of your account. This document will cover **Profile** and **Communication Preferences**.

PROFILE

From My Account, tap on Profile. From here, you can:

- Update your name
- Add or edit your default address
- Add or edit other addresses
- Add a Fuel Saver +Perks Card
- Add or update an email address
- Change your password.

Tap the right-facing red arrowhead or button to add or update information in each of these sections. Tap the left-facing back arrow to go back.

COMMUNICATION PREFERENCES

From My Account, tap on Communication Preferences. From here, you can:

- Select or edit your preferred Hy-Vee store.
- Choose the notifications you see on your device.
- Add or edit the phone number for text updates about your order.
- Manage your email subscriptions.

× Find a Hy-V	ee
Your My Hy–Vee location will determine what store you receive communications from. Selecting a new My Hy–Vee location will not change your online shopping location.
